If we have not informed you that we are mailing your paperwork, please visit our website and download New Patient paperwork and complete before your appointment. **DO NOT SIGN AND DATE UNTIL YOU ARRIVE AT THE OFFICE.**

Please bring the following to your appointment

1. Completed paperwork
2. Medical and Insurance Cards (Subscriber information)
3. Referral and Xray from Dentist
4. List of medications

INSTRUCTIONS FOR SURGERY

1. No food or beverage after midnight the night before surgery unless instructed otherwise.
2. Wear loose, accessible clothing with short sleeves, no jewelry, no flip flops. Also, NO CELL PHONES are allowed in recovery.
3. **You must have a responsible driver with you and they must remain in the office with you while you are having surgery.** You will need someone at home with you for several hours. You will not be allowed to drive a car or operate machinery for 24 hours after surgery and as long as you are taking pain medications. We will **NOT** do surgery unless a responsible driver is with you.
4. Your driver will be given post-op instructions and your prescriptions after surgery.
5. We will call the day before your surgery to go over instructions and remind you of your appointment. If we reach your voicemail, please call us back to confirm that you have received the message. There is an answering machine after hours.
6. **To avoid a \$75 fee for a missed appointment, call 48 hours before your surgery to cancel or reschedule.**
7. If our doctors or your general dentist has given you any medications to take before surgery, please follow the instructions and take as directed.
